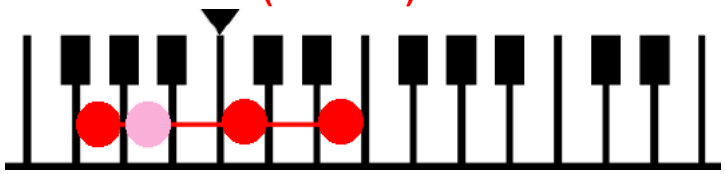
RIGHT HAND **CLUSTER** CHORDS

A CLUSTER chord is a chord in which two (or three) of the notes in the chord are CLUSTERED together.

Up to now you have played evenly spaced three note chords. If you ADD in an extra note INTO the chord you can make some very interesting sounds.

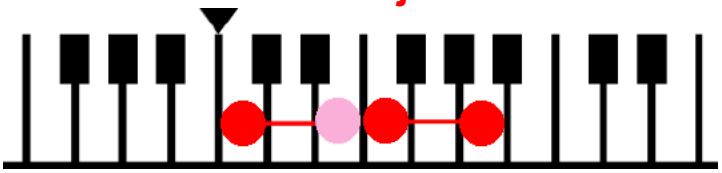
Try the following examples - ALL RIGHT HAND

C(added 6) Middle Inversion



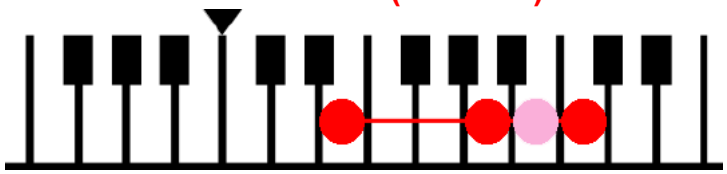
CHORD TONES	5th	6th	Root	3rd
Fingering	1	2	3	5

Fmaj7 Middle Inversion



CHORD TONES	5th	7th	Root	3rd
Fingering	1	2	3	5

Am (added 9) Middle Inversion



CHORD TONES	5th	Root	9th	3rd
Fingering	1	3	4	5

Can you hear the TENSION within the chord?

Now try the 2 bar song intro's on the next two pages
